**Count the moments.
Life is now.**

FOR 40 YEARS, WE'VE SEAMLESSLY BLENDED FUN AND STYLE WITH PRACTICALITY AND SAFETY

The water awaits.

Destined to delight your senses, Quicksilver Boats combine style that ignites your passion for adventure with the confidence of exceptional design. Set out to explore from sunrise to sunset with friends and family – limited only by your imagination.

Chart your course where you feel like you belong, at the helm with all the tech you want and none of the clutter. Treat yourself and your loved ones to comfort-focused cockpits and cruise-ready hulls designed by experienced naval engineers.

Take the plunge.

This year, Quicksilver proudly celebrates its 40th anniversary – four decades of adventure and connection to the water. Live in the moment with a Quicksilver Boat, brought to you by the Brunswick Boat Group.

SMART EDITION: THE BEST WAY TO GET THE OPTIONS YOU NEED

People are different.

So why should every boat be the same?

We have designed our boats for optimal use, but we know that everyone has their own preferences. That's why we are introducing the Smart Edition.

The Smart Edition gives you what you need: a variety of option sets that are most frequently requested by our customers. So you can be sure you get the options you want.

In addition to all of that you save an average of 10% when compared to ordering options separately and this edition is probably already available at your local dealer right now.

Welcome to the Open Range

Escape the ordinary and embrace every moment. Discover your love of boating in the Quicksilver Open range with vessels designed for maximum enjoyment. Ideal for time spent with friends and family for unbridled exploration, watersports, and dashing from spot to spot, the Open range gives you the freedom to play your way with a full view from the central helm.

Let your mind drift away as you relax on the fore sun lounge, or enjoy a snack during a casual picnic on the water. Move easily from cockpit to bow with an obstruction-free passage, safe for all thanks to the high freeboard. And on models with a cabin below deck, change into your swimsuit in complete privacy.

805 Open

ESCAPE THE EVERYDAY

Get the most out of every outdoor experience, whether on your home lakes and rivers or at sea, aboard the all-new Quicksilver 805 Open. Cruise coastal waters comfortably with up to nine people with versatile seating, deep freeboard, and the widest cabin in its class. Make every voyage an adventure with versatile features to create an entertaining space, an on-the-water oasis, or a fisherman's ideal setup. Leave your worries at shore, cruising in comfort for hours on end, powered by single-engine configurations of up to 300 HP.

SAFETY

Walk from stern to bow confidently on sure-footed Gatorstep flooring and a firm grip on handrails. The deep cockpit is ideal for a family of any age to keep everyone secure. Access to the water or dock is simple and safe with port and starboard transom doors.

DESIGN

Sweeping lines make for an athletic silhouette for the 805 OPEN, and it's more than just for appearance. This craft is perfectly suited for all-day cruising whether you're seated at the double helm behind the tall windscreen or in the bow or cockpit. The intentional design makes space for conveniences like a single berth with a sliding marine toilet and an entertainment center in option.

COMFORT

Find your happy place anywhere on deck. Move around the center console on both sides from bow to stern, and get comfortable on luxurious dual captain's chairs with flip-up bolsters, the fold-down cockpit bench, or the convertible foredeck sunlounge with backrests. When it's time for a snack, the optional galley is ideal, complete with a freshwater sink.

VERSATILITY

Take the family for a fun cruise after a long workday, then quickly convert it to a fully-equipped fishing vessel for a Saturday voyage with friends. Switch from cockpit seating to a sunlounge in seconds, and use the cabin for out-of-the-sun seating or a private area to nap. Whether you're into exploring the archipelagoes, touring port cities, or catching fresh dinner, the 805 OPEN is built for versatility.

705 Open

THE COMPLETE PACKAGE

The 705 Open's sportive and dynamic design makes heads turn. Hit the water with a group of maximum 8 people and explore all of the boat's features. A Mercury engine with up to 225 HP makes sure you'll get off to a fast start. There's also a Smart Edition that bundle the most popular options into one convenient package to enhance your boating experience.

SAFETY

On the water, a powerful Mercury engine guarantees safe and agile navigation. On the boat, move around confidently with high freeboard and focused paths. A pivoting backrest leading to large swim platforms with an integrated swim ladder makes getting out of the water as effortless as jumping in.

COMFORT

The swiveling, bolstered seats come with new fiberglass seat pedestals for improved comfort. The helm boasts integrated cup holders, a storage tray and a mounting space for a 7" or 9" GPS/Chart Plotter. A pivoting backrest allows unobstructed access to the swim platforms, and on the bow, you'll find an integrated anchor/line locker with an optional electric windlass.

VERSATILITY

The 705 Open has been designed with your favorite outdoors activities in mind such as cruising, light fishing or water skiing. The spacious bow also converts into a sun lounge and a dining area, table for 4 and integrated cup holders included. Thanks to the pivoting pilot seats, have a relaxed chat gathered in the cockpit area. A compact cabin offers shelter and is ideal for taking a nap.

STORAGE

The 705 Open offers storage underneath the bow seating. There's also dedicated storage for the ski pole, the stern navigation light and the sun lounge extensions. Personal belongings and other small items go in the storage underneath the aft seat. And of course, there is a fully integrated bow anchor and line locker.

FUN PACKED

The 605 Open is a born to please. It takes up to 7 people out for a full day of fun. The boat was designed with comfort, ergonomics and functionality in mind, turning the deck into the best possible place to spend some time off relaxing or fishing. A Mercury engine with up to 150 HP ensures safe navigation and a list of options adds even more to the fun on the water.

SAFETY

High freeboard and the ease of circulation promises safety aboard, even for kids and seniors. But you probably prefer swimming to walking, so a pivoting backrest provides smooth access to the large swim platforms. There, you'll also find an integrated swim ladder. You choose dive in right away or stick to the gradual approach, step by step.

COMFORT

The cockpit offers a pivoting backrest, allowing easy and unobstructed access to the swim platforms. Also, the 2 swivel seats allow the pilot and the co-pilot to turn and join in on a conversation. The optional cockpit shower lets you freshen up after a swim. For the driver, the bicolor helm has cup holders, a storage tray and a mounting space for a 7" GPS/Chart Plotter.

VERSATILITY

The spacious bow seating area transforms into an extended sun lounge within seconds. After soaking up the sun, an exterior table turns that same bow into a fancy dining setting for up to 4 adults. At the back, the cockpit area is another great place to socialize, thanks to the pivoting pilot seats. The ski pole will also win over any water sports enthusiast.

STORAGE

The 605 Open's storage capacity is plentiful. On the bow, console storage holds the exterior table and the cushions. A laminated teak step in the console makes it easy to access the lower storage area as well. Other accessories, like the ski pole, the stern navigation light and the sun lounge extensions, also go in a dedicated storage space.

555 Open

WINNER ON THE WATER

The 555 Open is the smallest model in our range, making it the perfect choice for beginners thanks to how easy it is to handle. Whether you're planning a fishing trip or a relaxing day on the water, this boat offers space for up to 6 people and is powered by a reliable Mercury engine with up to 115 HP. Its sleek design and smart use of space ensure comfort and enjoyment for everyone on board. Safety features give you peace of mind, so you can focus on creating unforgettable moments. And there's more: the Smart Edition combines the most popular options in one affordable package, making your first boating experience even better.

SAFETY

Safety begins with agile navigation. With a single outboard Mercury engine (up to 115 HP), the 555 Open is up for that task. A slightly tinted windshield helps the driver to keep a clear view. Access to the boat and to the water is smooth and safe with entry from the bow and large swim platforms at the stern.

COMFORT

On the 555 Open, comfortable bolstered and swivel seats for pilot and co-pilot make it the place to be. The bicolor helm features cup holders, a storage tray and space for a 7" GPS/Chart Plotter. A footrest completes the set-up. At the back, a reclining seat optimizes cockpit space and makes it possible to tilt the engine entirely.

VERSATILITY

The 555 Open is versatile from front to back. The bow's sun lounge converts into a dining area with an external table in no time. And once you turn off the engine, give the pivoting pilot seat a spin to and join in on the conversation. Unless you prefer sports, of course, in which case, mount the ski pole and have fun.

STORAGE

There's dedicated storage for the ski mast, the navigation light and the sun lounge extensions. Personal belongings can be stored safely underneath the seats. On the bow, there's access to console storage, even with the extended sun lounge deployed. Storage with premium finish inside protects the exterior table and cushions from bad weather conditions.

Engine Specifications

Choose among our vast range of robust and powerful Mercury, Mercury Mercruiser or Mercury Diesel engines, the most appreciated of all time. You'll have the very best and most up-to-the-minute engine power to take your boat out to enjoy the delights of the water. Moreover, you will benefit from a national and international network of dealers for service.

Additionally, a five-year warranty programme is applicable for all eligible Mercury outboard engines*. The programme will be offered to owners of new Mercury outboard engines**. The warranty applies to Mercury Verado® and FourStroke engines purchased in Europe, the Middle East, Africa and the CIS region. The five years of comprehensive factory-backed coverage includes labour for failures caused by defects in material or workmanship. What's more, the new warranty is transferable if the engine is sold within the five-year period. The warranty applies to recreational use only.
