**Count the moments.
Life is now.**

FOR 40 YEARS, WE'VE SEAMLESSLY BLENDED FUN AND STYLE WITH PRACTICALITY AND SAFETY

The water awaits.

Destined to delight your senses, Quicksilver Boats combine style that ignites your passion for adventure with the confidence of exceptional design. Set out to explore from sunrise to sunset with friends and family – limited only by your imagination.

Chart your course where you feel like you belong, at the helm with all the tech you want and none of the clutter. Treat yourself and your loved ones to comfort-focused cockpits and cruise-ready hulls designed by experienced naval engineers.

Take the plunge.

Cette année, Quicksilver célèbre fièrement son 40^{ème} anniversaire — quatre décennies d'aventures et de connexion avec l'eau. Vivez l'instant présent à bord d'un bateau Quicksilver, imaginé par le Brunswick Boat Group.

SMART EDITION: THE BEST WAY TO GET THE OPTIONS YOU NEED

People are different.

So why should every boat be the same?

We have designed our boats for optimal use, but we know that everyone has their own preferences. That's why we are introducing the Smart Edition.

The Smart Edition gives you what you need: a variety of option sets that are most frequently requested by our customers. So you can be sure you get the options you want.

In addition to all of that you save an average of 10% when compared to ordering options separately and this edition is probably already available at your local dealer right now.

Welcome to the Sundeck Range

Time on the water is always time well spent, and the Quicksilver Sundeck range keeps you there in comfort. Embrace the wide open cockpit that brings a dinner party with friends to life, and bask in the sunlight on the Sundeck as the waves gently rock you.

Relish your leisure time, stretched out on the massive L-shaped sunlounge, or head below deck and rest in the cabin. There's no need to head to shore anytime soon with quarters for four and a marine head on board. So incredibly versatile, you'll daydream about returning for your next adventure all week long.

875 Sundeck

SUNDECK CHAMPION

The 875 Sundeck is raising the bar. Or should we say: extending the sun lounge? It boasts the biggest sundeck in its category. So, go ahead and invite up to 12 people for a cruise in the sun or onboard BBQ. Friends can even join for multi-day trips, because the cabin sleeps 4.

SAFETY

Powered by a single engine up to 400 HP or a twin engine up to 500 HP, there's no better guarantee for safe travels in all conditions. On board, the asymmetrical console leaves ample space to easily reach the foredeck by the starboard side. And of course, the 875 Sundeck offers a stable and spacious deck to move around on.

COMFORT

With the 875 Sundeck, there's enough sundeck for everybody. The cockpit seating converts into a 1.9 x 1.6 m sun lounge with water access while the bow area measures 2.25 x 2.25 m sundeck with adjustable backrest. The cozy cabin is conveniently equipped with an optional fridge and microwave and holds a private marine toilet and shower.

DESIGN

The 875 Sundeck's design is a triumph of aesthetics and space efficiency. Slide the seat forward to reveal a galley with integral sink, cutting board and an optional stove or grill. The cabin makes the most out of its space with a U-shaped lounge that converts into the main berth. Design lovers will appreciate the privilege pack filled with exclusive features.

VERSATILITY

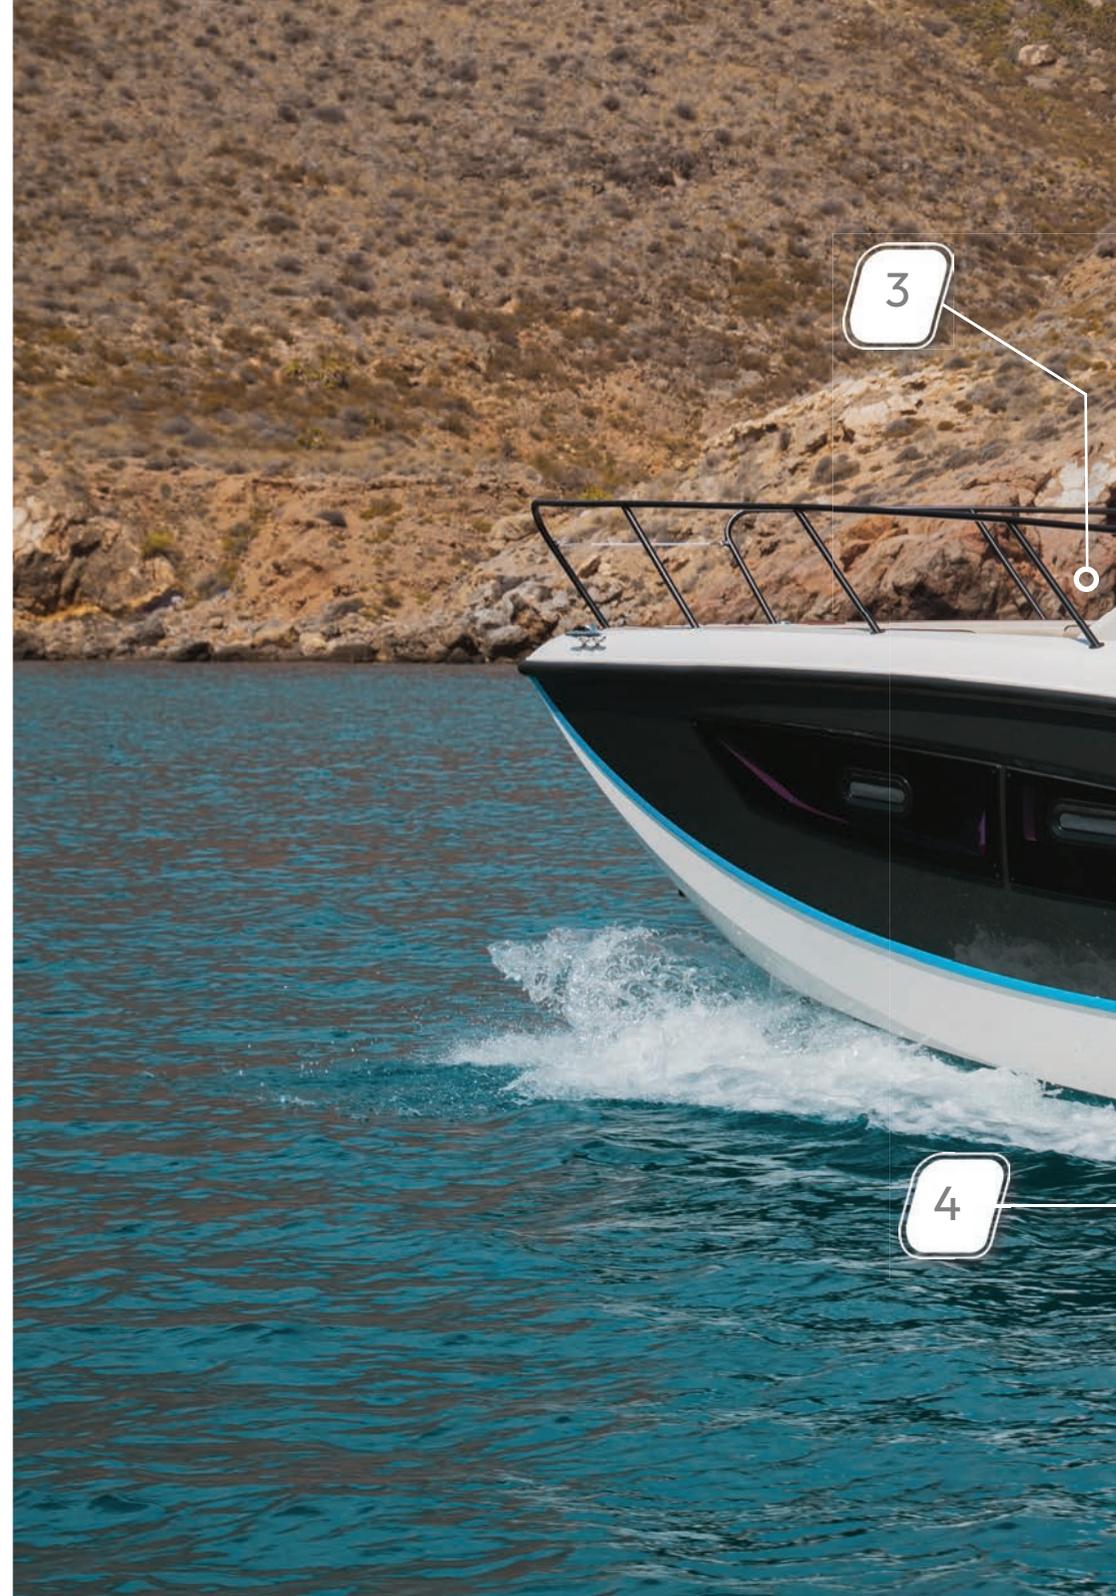

An L-shaped cockpit lounge that converts into a large sundeck or a dining area, with a galley at hand. Not bad, right? Wait, there's more. Water sport fans put the engine's horsepower to good use by adding a ski pole. Or just flip up the foredeck chaise sun lounge and relax. The cabin area is ideal for eating in, relaxing and sleeping.

755 Sundeck

LIVE ON THE SUNNY SIDE OF LIFE

The perfect combination of performance, comfort and versatility in the 7m+ boat segment, Quicksilver's 755 Sundeck is designed with sun, relaxation and enjoyable cruising in mind.

With a range of versatile configurations that offer great sun lounging as well as seating accommodation facilities, the 755 Sundeck is designed for fast day cruising and water sports for up to eight people and comfortable overnighting for two.

SAFETY

Unmistakably a high-performance craft, the 755 Sundeck offers a range of safety features to allow you, your friends and family to enjoy the water safely. On the move, the up to 300 HP motor gives the 755 Sundeck plenty of power, while its excellent handling and ergonomic helm make it a joy to use for water sports and fast cruising.

COMFORT

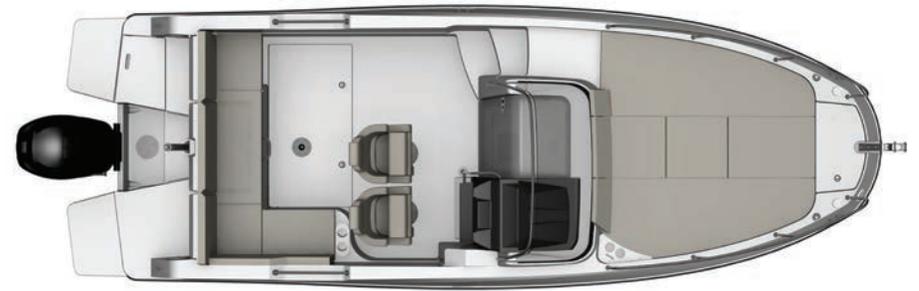

With its extra-large sunbathing foredeck with headrests and cup holders, the 755 Sundeck offers optimal sunbathing conditions for 3 people. Enjoy a cold drink or a meal in the galley that comes with sink, refrigerator, and a single burner stove. Inside, the cabin offers daytime and dining use for up to four people, as well as overnighting for two.

DESIGN

Fluid, sleek and stylish are the watchwords when it comes to the new 755 Sundeck's exterior design, while the features onboard make this stylish craft an experience not to be missed. From the helm station's console layout to the configurable seating both in the cabin and the cockpit, the 755 Sundeck uses intelligent design to offer a maximum of possibilities.

VERSATILITY

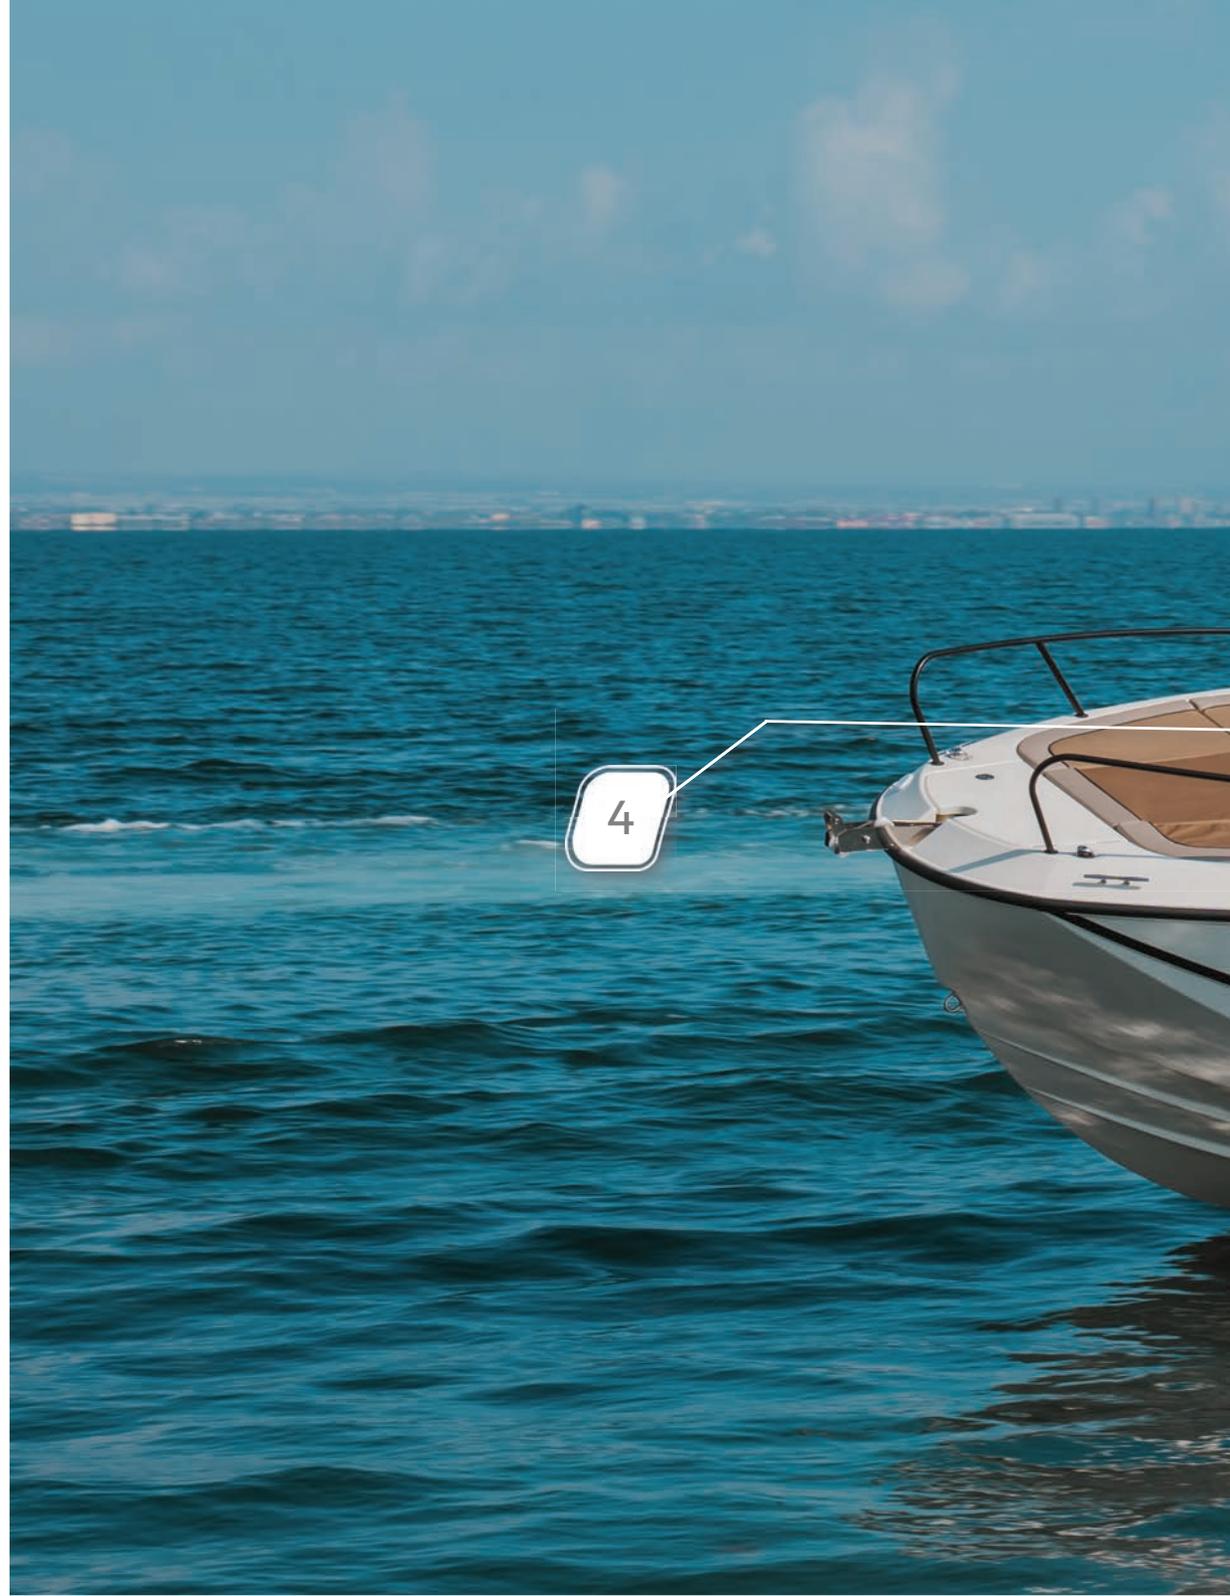

The epitome in versatility, the 755 Sundeck offers a large forward sunbathing area, a versatile cockpit seating that can transform to a dining area and a cabin configuration that can also be used for dining, sleeping for two, and even as a comfortable play area for children.

Scan the QR-code to visit our
online configurator

Key features

1. The versatile cockpit area is suitable for cruising and dining, or deploy the sun lounge with inclined backrest and complete extension for maximum sunbathing capacity
2. Single engine configuration from 175 up to 300 HP
3. Cabin with concealed sea toilet. The seating area is convertible to a dining area or 2 berths
4. Large permanent bow sundeck area
5. Galley includes stainless steel sink with cutting board lid, fridge & LPG stove
6. Twin bucket seats adjustable in height and flip up bolsters

675 Sundeck

SUN LOVER

The 675 Sundeck's updated, contemporary design wows in any water. And there's much more than meets the eye. Jump aboard to experience for yourself how space, comfort and ergonomics come together. For example, the helm now makes better use of the available surface, is easier to work with and has improved functionalities. Along with you behind the wheel, there's room for up to 8 passengers who want to soak up the sun.

SAFETY

Power the 675 Sundeck by an outboard Mercury engine with up to 225 HP. On board, access the bow and other parts of the boat thanks to wide steps, intelligently placed handrails and a high freeboard. A restyled windshield with new tinted glass improves the pilot's view. Water enthusiasts will love the pivoting backrest to reach the swim platforms.

COMFORT

The 2-meter-long sundeck raises the bar for all sundecks in this category. If you the heat is too much, get out of the sun. A sliding door leads into the cabin with plenty of seating space that converts into a double berth at night. In the cockpit, reinforced pilot bucket seats swivel any way you like to offer more comfort.

VERSATILITY

The cockpit is the most versatile area with a pivoting backrest leading to the swim platform. After your water sports, a removable table and the pivoting pilot seats turn the cockpit into a dining area for 4, integrated cup holders included. Enjoy some relaxing time in the cabin on the U-shaped seating or transform the cabin into a cozy bedroom for 2.

STORAGE

Storage space easy to find on the 675 Sundeck including space under seating, ample room in the cabin and a storage tray in the helm console. This means there's dedicated storage for both your permanent equipment (cushions, table, ski mast, navigation light, PFDs) and for other small items and personal belongings.

Scan the QR-code to visit our online configurator

Key features

1. Large bow sun lounge
2. Engine configuration up to max 225 HP and large swim platforms
3. Pivoting pilot & co-pilot bucket seats with flip bolster and swivel
4. Double berth designed for comfortably sleeping two adults
5. Port and starboard pivoting backrest allowing an easy access to the swim platforms
6. Stylish and ergonomic bicolor helm with room for a 7" GPS/Chart Plotter

605 Sundeck

FUN IN THE SUN

The improved 605 Sundeck hits the water with a more dynamic design and upgraded functionalities. It is made for cruising, water sports and fun in the sun. So head out for a day trip with up to 7 people or surprise your partner with a romantic getaway.

A Mercury engine with up to 150 HP guarantees safe navigation during the day and the boat's cabin converts into a cosy berth at night.

SAFETY

Safety begins with a series of reliable single outboard Mercury engines (115-150 HP). On board, wide steps to the sun lounge area, a high freeboard and well-placed handrails provide passengers with all the support they need to move around freely. A pivoting backrest allows for access to the swim platforms and ladder.

COMFORT

The 605 Sundeck has one of the largest sundecks in its category. Even the bow anchor locker is covered with a cushion to extend the sunbathing area. The helm has been completely redesigned for a modern, stylish look and improved instrumentation layout. At the same time, the swiveling bucket seats with flip bolsters have been fortified for driver comfort.

VERSATILITY

Flexibility is a given on the new 605 Sundeck. Convert the cockpit into a dining area for up to 4 adults, thanks to the removable table, integrated cup holders and pivoting pilot seats. Use cabin space as a U-shaped seating area or 2-person sleeping berth. An optional ski mast adds water sports to the list of activities the boat has in store.

STORAGE

Storage capacity on the boat is plentiful. For starters, the bow anchor and line locker are fully integrated. The exterior table and filler cushions fit into a dedicated storage area as do the stern navigation light and water sports equipment. Supplementary space for small items and belongings is located both underneath the aft seat and below the berth.

Scan the QR-code to visit our
online configurator

Key features

1. Large bow sun lounge
2. Double berth
3. Engine configuration up to max 150 HP
4. Large swim platforms for safe and easy access in and out of the water
5. Wide steps to forward sun lounge
6. Stylish and ergonomic bicolor helm with room for 7" GPS/Chart Plotter

Welcome to the Cruiser Range

Satisfy your desire for freedom with a range that takes you further, faster, and with more space for those you love. Stroll from cockpit to foredeck unobstructed with comfort promised in both locations. Take in a blissful sun-bathing session above deck with a 360-degree view of paradise all around you, or cruise to your next hotspot behind the full windshield.

When the summer sun overwhelms you, get back on deck from a swim via large platforms or find shade under the bimini top. Cool off in the below-deck seating area or arrange the cushions for sleeping on an overnight voyage. Bring out the free spirit in you with the Quicksilver Cruiser range.

Discover the Deluxe Line

For those who seek an extra touch of elegance, the Deluxe Line elevates your experience with premium finishes and exclusive details. Enjoy refined upholstery, high-end materials, and smart design features that combine style with functionality. From sleek chrome accents to enhanced comfort solutions, the Deluxe Line turns every journey into a statement of sophistication.

805 Cruiser

LUXURY PERFORMANCE DAY-CRUISER

Designed with attention to detail, the 805 Cruiser is our flagship model for day cruising. Refinement, power, safety and comfort are the key values you'll appreciate in this smart new addition to our line-up.

Powered by up to 400 HP of engine power and accommodating up to nine for day cruising and refined sport and leisure use with family and friends, the 805 Cruiser is the ultimate in smooth and stylish performance on the water.

SAFETY

The 805 lets you enjoy the water with complete peace of mind. Its hull ensures safe, high-performance navigation, while the console offers excellent visibility. Easy stern access and twin swim platforms with a robust ladder make getting in and out of the water effortless.

DESIGN

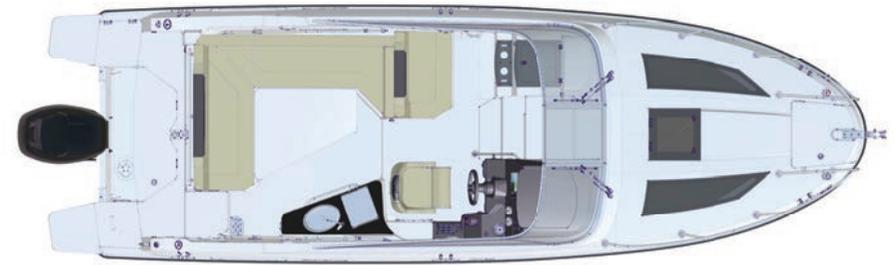

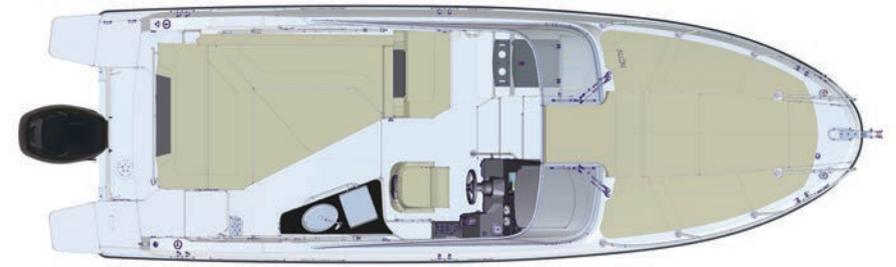

The 805 Cruiser stands out with sleek lines and a strong presence. High-spec fittings and LED lighting add style, while the Exclusive Deluxe Line enhances the look with premium grey and white upholstery, Legacy Grey hull color, and elegant Flexiteek flooring.

COMFORT

Designed for up to four adults overnight, the 805 offers a bright forward cabin, twin mid-berths, a private marine toilet, and a practical galley with fridge, stove, and fresh water system. Deluxe Line details elevate comfort with refined materials and finishes.

VERSATILITY

Perfect for coastal cruising, water sports, or relaxing with friends, the 805 adapts easily from seating to dining to sun lounging. The cockpit table seats five, and an optional foredeck sun lounge adds even more space for enjoyment.

Scan the QR-code to visit our
online configurator

Key features

1. Cabin for 4 adults consisting of main forward berth, mid berth, separated sink and toilet
2. Easy walking access from bow to stern
3. Large swim platforms. Single or twin engine configuration capability of max 400 HP
4. The versatile cockpit area is suitable for cruising and dining, or deploy the sun lounge with inclined backrest and complete extension for maximum sunbathing capacity
5. Permanent galley with stainless steel sink with cutting board lid, standard 12V cooler, fridge & LPG stove
6. Comfortable bucket seat. Double co-pilot seat with storage below seat

755 Cruiser

ENJOY THE VIEW

Break away for a day trip or a weekend on the water. The 755 Cruiser's deep cockpit and full windscreen keep you and your passengers safe and dry during the ride. Inside, the cabin's wide windows offer the best views you'll ever find in a 7-meter boat. Customisation is key. The cockpit area offers 3 configurations, several packs allow for significant upgrades of the boat's accessories and there's a whole range of Mercury engines available.

SAFETY

Break away for a day trip or a weekend on the water. The 755 Cruiser's deep cockpit and full windscreen keep you and your passengers safe and dry during the ride. Inside, the cabin's wide windows offer stunning views, making every moment unforgettable. Customisation is key: the cockpit offers three configurations, several upgrade packs, and a full range of Mercury engines.

DESIGN

Navigate securely and with agility, powered by a single Mercury outboard engine up to 300 HP. Accessibility is effortless thanks to a wide cockpit entry, well-placed handrails, easy walkaround from bow to stern, and swim platforms for smooth water access. Its deep cockpit and full windscreen with wiper make it safe for all ages.

COMFORT

Accessibility is effortless thanks to a wide cockpit entry, well-placed handrails, easy walkaround from bow to stern, and swim platforms for smooth water access. Its deep cockpit and full windscreen with wiper make it safe for all ages.

VERSATILITY

Die verstellbare, neigbare Bank im Cockpit bietet drei Konfigurationen: aufrecht, Chaiselongue und extra große Sonnenliege – perfekt zum Essen, Entspannen oder Sonnenbaden. Der Beifahrersitz erweitert die Sitz- und Sonnenliegefläche, während das Vordeck sich in eine zusätzliche Sonnenliege verwandelt. Mit der exklusiven Deluxe Line wirkt jede Konfiguration noch luxuriöser dank hochwertiger Polsterung und eleganter Oberflächen.

675 Cruiser

SLEEK, SPORTY AND SPACIOUS

The 675 Cruiser combines a sleek design with a sporty set-up and smart use of space, now elevated by the Exclusive Deluxe Line. Premium grey and white upholstery with crafted seam patterns adds elegance and comfort to every seat. With room for up to seven people who love to cruise and soak up the sun, it's hard to tell who will have the most fun: you at the helm or the friends and family you bring along.

SAFETY

A defined step-out area shows passengers where to enter and exit for quick, secure boarding. Once on board, easy walkaround access from bow to stern and a large swim platform make moving and swimming simple. An ergonomic helm and deep cockpit ensure safety for captain, crew, and kids at all times.

COMFORT

Large portside steps lead to the foredeck, freeing space in the center. A semi-transparent door opens to a U-shaped cabin that converts into a double berth, filled with light and ventilation through the door, portlight, and deck hatch. Back outside, the helm can feature SmartCraft instrumentation and a 9-inch GPS. The Exclusive Deluxe Line adds premium grey and white upholstery with crafted seam patterns, elevating comfort and style throughout.

VERSATILITY

The action happens in the cockpit, where the double bi-directional co-pilot seat faces forward for cruising or extends the social area for dining. Add the starboard flip seat for even more space around the table. Within minutes, the cockpit transforms into a sun lounge, extendable with the aft seat. With Deluxe Line finishes, every configuration feels more refined and inviting.

STORAGE

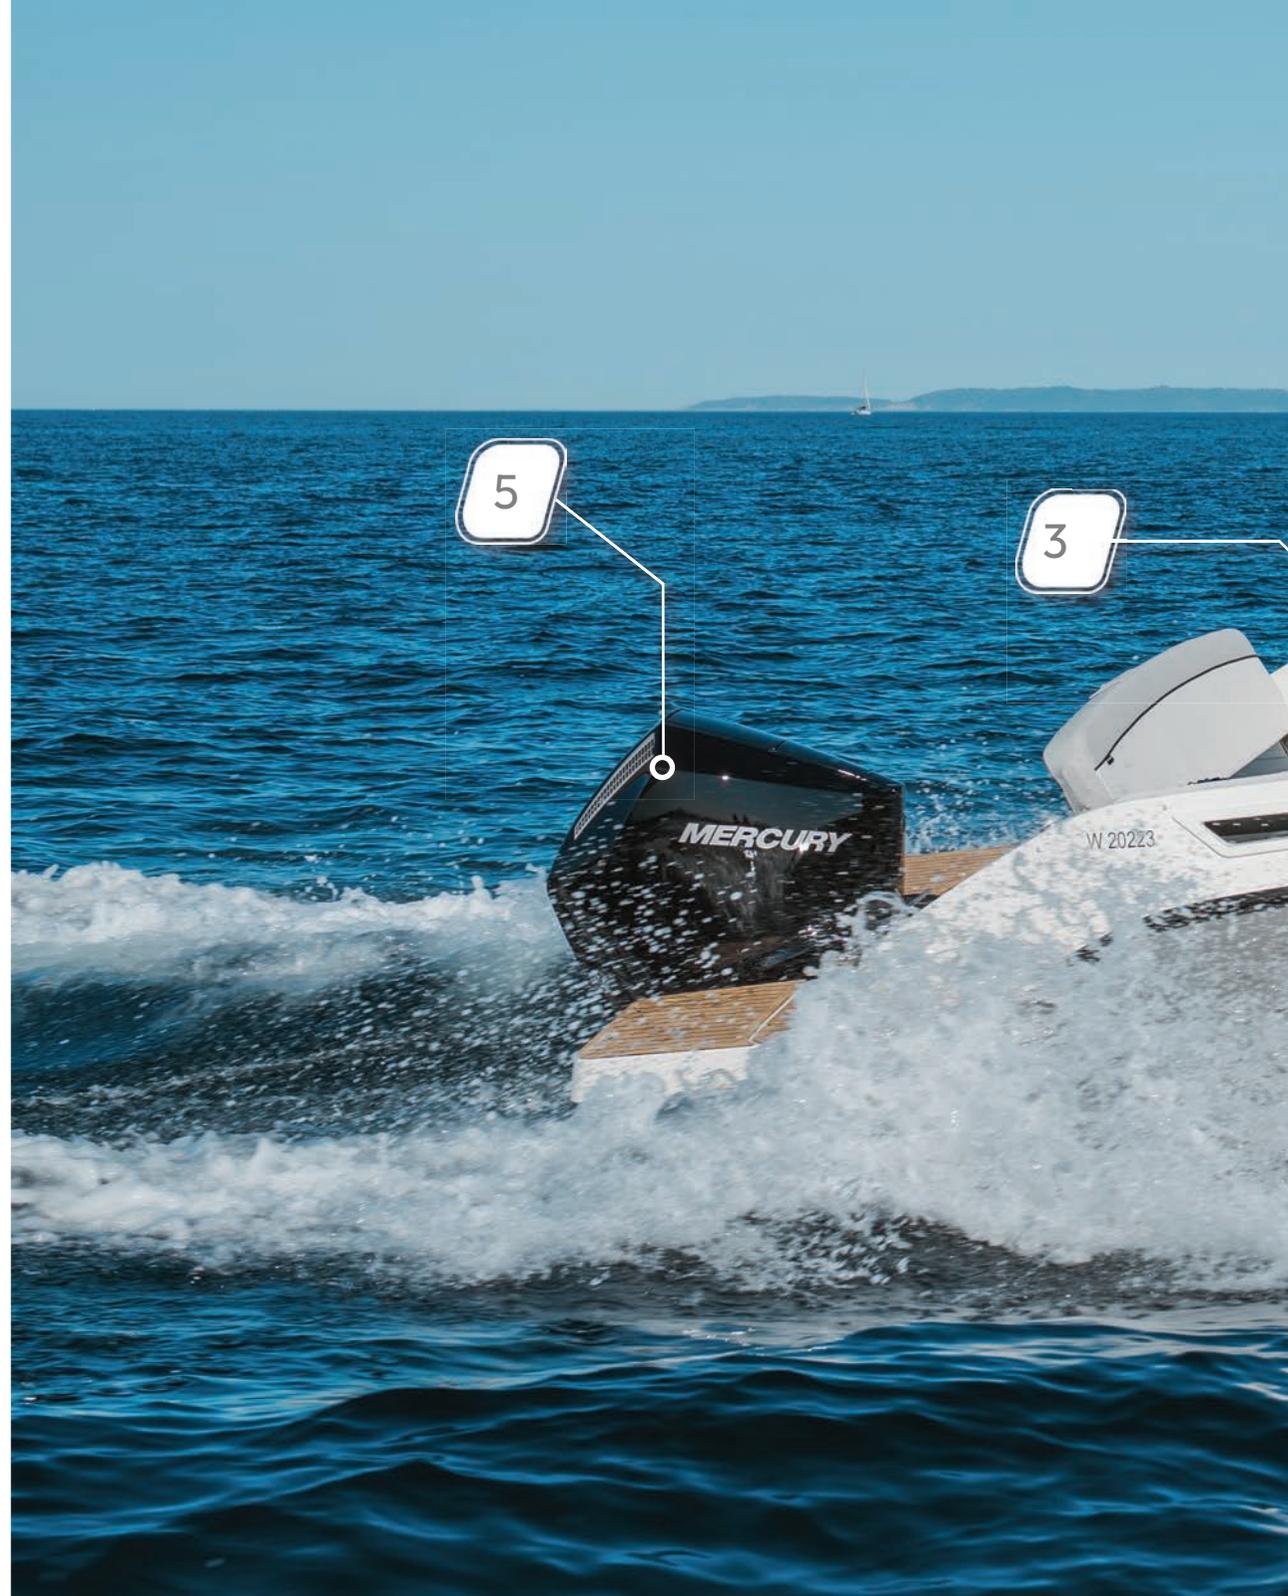

Storage space is integrated below the swim platform and underneath the cockpit seats. All of that space is available to store away personal belongings. The fenders, and even the optional canvas all have their own dedicated storage space. Of course, you'll find even more storage room in the cabin.

Scan the QR-code to visit our
online configurator

Key features

1. Cabin with seating area that is convertible to a double berth. Optional pull out marine toilet
2. Wide steps to access deck
3. The versatile cockpit area is suitable for cruising and dining, or deploy the sun lounge with inclined backrest and complete extension for sunbathing and easy water access
4. Double co-pilot seat with bi-directional seat backrest and optional refrigerator below seat
5. Single engine configuration up to max 225 HP. Optional bimini
6. Stylish windshield and ergonomic helm station. With instrumentation and mounting space for a 9" GPS/Chart plotter

605 Cruiser

CHOOSE TO CRUISE

The 605 Cruiser has gotten longer and wider compared to its predecessor, but it's still our most compact cruiser. The redesign gives you a bigger, more streamlined boat. Also interesting to know: your increased cruising comfort is coupled with longer cruising, thanks to the biggest fuel tank in this category.

SAFETY

A bigger boat is often a safer boat. Access the 605 Cruiser via a defined step-in/step-out area, and the large swim platform ensures easy access into the water and back onto the deck. The high foredeck railing and the deep cockpit allow everyone to move around in all safety during family cruises, even for over-active kids.

COMFORT

As the boat's captain, enjoy a swivel seat now mounted on a polyester pedestal base for improved comfort with the co-pilot looking straight at cleverly placed steps to the foredeck. This unique design allows for a cabin door in the middle. The semi-transparent door, an opening portlight and a deck hatch let light and air into the cabin. That functions as a double berth to fit 2 people.

VERSATILITY

Up to 6 people find at least as many ways to spend time on the 605 Cruiser. The foredeck converts into a large sun lounge with a central backrest cushion. At the back, blue skies ask for the optional second sun lounge to be deployed. In case of grey clouds, however, a Bimini is deployed just as fast. Or shelter in the cabin that doubles as a U-shaped seating area and a berth for 2.

STORAGE

Your personal belongings stay dry in storage spaces underneath the swim platform and below the aft seating. A third storage space is integrated under the seating area of the cabin. Of course, the fenders and optional features such as an enclosure or a dining table all have their own spaces just as well.

Scan the QR-code to visit our
online configurator

Key features

1. Versatile cockpit area suitable for dining and for sunbathing with easy deployable sun lounge
2. Anchor storage and step-out area via the bow
3. Cabin with seating area that is convertible to a double berth
4. Large swim platforms and motor well step for easy access to both sides of transom
5. Single engine configuration up to max 150 HP
6. Wide steps to access deck

555 Cabin

ANYTHING GOES

The 555 Cabin comes prepared. What for? Basically anything. First and foremost, it contains everything you need for a good time. Choose a spot on the bow or cockpit sun lounge, grab a drink from the fridge or enjoy your favourite tunes on the stereo system that can be equipped with 4 speakers.

SAFETY

Navigation becomes a breeze with the standard hydraulic steering system, a footrest and room for a 7-inch GPS screen. On deck, you and your passengers walk around safely with wide port steps for easy foredeck access, an anti-skid deck trail and helpful handrails. Ready for a swim? Use the integrated swim platform or get the extended one to slide in gently.

COMFORT

The 555 Cabin's helm is all about functionality and use of space. As a pilot, everything is at your fingertips like a sport steering wheel, armrest and footrests, and with the Active Trim, you can count on effortless and optimal engine performance. Discover the cabin with skylights behind a translucent sliding door and the interior headliner gives a touch of cosines.

VERSATILITY

The 555 Cabin is a year-round all-rounder, perfect for relaxing. Pivoting seats and a mountable table turn the cockpit into a dining area and deploy the cockpit sun lounge in minutes. Or go to the bow sun deck, of course. As soon as night falls or clouds gather, the cabin awaits you. Either sit down around the cabin table or convert the seating into a spacious double berth.

STORAGE

In the cockpit area, storage space is conveniently tucked away below the aft bench seating. Supplementary storage is integrated in the helm and in the cabin. Combined, the 555 Cabin is equipped with plenty of space to keep personal belongings, sun pads and other items dry and safe.

Engine Specifications

Choose among our vast range of robust and powerful Mercury, Mercury Mercruiser or Mercury Diesel engines, the most appreciated of all time. You'll have the very best and most up-to-the-minute engine power to take your boat out to enjoy the delights of the water. Moreover, you will benefit from a national and international network of dealers for service.

Additionally, a five-year warranty programme is applicable for all eligible Mercury outboard engines*. The programme will be offered to owners of new Mercury outboard engines**. The warranty applies to Mercury Verado® and FourStroke engines purchased in Europe, the Middle East, Africa and the CIS region.

The five years of comprehensive factory-backed coverage includes labour for failures caused by defects in material or workmanship. What's more, the new warranty is transferable if the engine is sold within the five-year period. The warranty applies to recreational use only.
